Kakinada CGPA-7.38

### SSC 2017-2018

Schooling Finished in Pratyusha school at  
G.Mamidada CGPA-9.8

## SKILLS

### Technical Skills

- Java Programming
- Object-Oriented Programming
- Python Programming
- HTML, CSS
- MySQL

### Personal Abilities

- Problem Solving
- Interpersonal skills
- Teamwork
- Analytical skills.

## CERTIFICATIONS

- Java Programming
- Web Development
- Database MySQL
- Python Programming

## EXPERIENCE

### JAVA FULL STACK

KodNest | July 2024 - Present

Currently undergoing intensive Java Full Stack training at Kodnest, gaining practical experience in building full-stack web applications using Java, and front-end technologies such as HTML, CSS, JavaScript. The training emphasizes hands-on projects, enabling me to develop and deploy dynamic, responsive applications and deepen my understanding of RESTful API development, database management, and responsive design principles.

## PROJECTS

### Airline Ticket Price Prediction Using ML

Built a machine learning model to predict airline ticket prices, enabling informed customer booking decisions and supporting airlines with dynamic pricing strategies

### LearnSphere: Comprehensive E-Learning Platform

Developed a scalable e-learning platform with serviceoriented architecture, supporting user management, course administration, and secure, role-based access for an enhanced online learning experience.
